preparation and maintainance of zoho books for edu connect learning center

What are learning centers? Learning center are student centered engaging activities which are also self - checking and self - selecting.

To focus on a set of skills and deepen the students' knowledge and abilities in that area.

facilitate the learning process and to provide direct and real - life experience to learners.

Empowers the students to take ownership of what they learn by focusing on how the new knowledge solves a problem or adds value.

Allow children to be themselves.

Put the control into the student's hands.

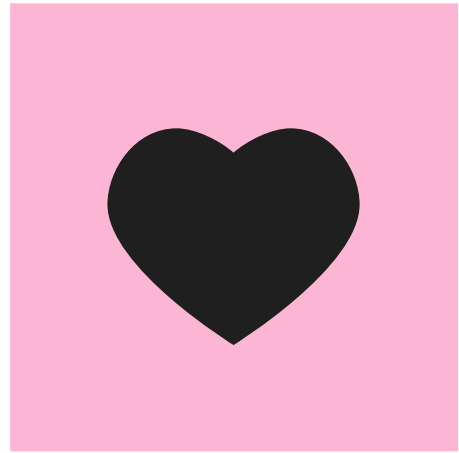

Discipline problems are reduced because groups are limited to a number which can reasonably function in each area.

Classroom management is easier since children are in the area of their choice and interest.
